2023 MNJOA Conference Registration Form

The Minnesota Juvenile Officers Association has been in existence since 1955 and is dedicated to supporting police officers, social workers, probation officers, school administrators, and all those involved in the systematic approach of today's youth and the Criminal Justice System.

Holding true to tradition, our annual training conference maintains a high standard of quality training on topics of safety, best practices, and proactive measures pertinent to fostering the lives of today's youth.

This year's conference will take place in Duluth, at the Holiday Inn & Suites, on **June 12th~June 14th, 2023**. This is the first time we are holding our conference in summer, after schools have concluded. We will kick off with an early registration opportunity on Sunday evening, June 11th, 2023, from 1830-2000 hours.

We are pleased to announce that our keynote speakers will be Michele Stuart, presenting on OSINT in Tactical Training. Tony Pustizzi will present the Parkland School Debriefing. Imran Ali will present on Digital Crimes. Tony Zdroik will round out our line-up with Juvenile Laws Update. Closing the conference will be Dave (JD Buck Savage) and Betsy Smith on "The Winning Mind".

This year MNJOA is excited to announce that we will have some family-friendly events for any family members who may be joining you at the conference. These are still in the planning stages, so keep an eye on your email or our website for details.
